ABOUT

Quick Clean Services is a London-based cleaning business with experience in domestic cleaning, deep cleaning, end-of-tenancy cleaning and builders' cleans for flats and residential developments. Our work includes kitchens, bathrooms, communal areas and the removal of construction dust, paint residue and adhesive.

We have our own team, equipment and transport, and offer fixed-price quotations based on the scope of work.

We are interested in subcontracting opportunities, post-construction and sparkle cleans, void-property cleaning, communal-area cleaning and regular commercial contracts. We welcome opportunities with builders, developers, property managers, housing providers, offices, schools and hospitality businesses.

We cover Greater London and surrounding counties, including Kent and Surrey, and are willing to travel to Birmingham and the West Midlands for suitable projects. We would welcome the opportunity to discuss your requirements and provide references from previous clients.
