ABOUT

I offer reliable domestic cleaning services in Beckton, Canning Town and nearby areas. I clean private houses and flats, including kitchens, bathrooms, bedrooms, living rooms and general household areas. I am hardworking, careful, responsible and pay attention to detail. I am available on Saturdays and Sundays for full-day cleaning. I offer regular and one-off cleaning. Cleaning products and equipment should be provided by the customer. I do not offer ironing services. I am happy to communicate by WhatsApp messages. My aim is to leave every home clean, fresh and tidy.
